

Dear Parents and Students,

On behalf of everyone at Sherri and Julie's Dance and Gymnastics, we want to take this opportunity to extend a warm "Welcome" to each of you. Whether you are a returning family or this is your first year with us, we are pleased that you have selected our Studio and hope you will have an exciting year with us.

### **OUR COMMITMENT TO YOU**

**Our studio's mission is to provide students of all ages with the opportunities to gain confidence, have fun, and build skills and memories that will last a lifetime.**

We are committed to providing the highest quality of instruction in a first rate facility. Our goal is to maintain an environment where students can learn dance and gymnastics in a friendly, professional atmosphere.

**REGISTRATION FOR ALL STUDENTS:** We are implementing an easy procedure for registering your child/children in our classes for the fall season. Simply go to our website, **sherriandjulie.com** and fill out the registration forms. **Return them with your registration fee, (\$30.00 per student, to a maximum of two per family), by July 27th.** Our address is: Sherri and Julie's Dance and Gymnastics, 2605 4<sup>th</sup> Avenue South, Denison, IA 51442.

If you are new to our Studio, We would like to meet you and your child and give you a chance to see our facility. If you have had training elsewhere, we will need to evaluate your dance or gymnastics ability, so that we may place you at the proper class level. We will be meeting new families on **August 1<sup>st</sup> and 2<sup>nd</sup> from 4:00 – 8:00 p.m.**

For your convenience, we stock new tap, jazz and ballet shoes. We also offer you the opportunity to buy or sell used shoes at half price during the registration season.

We are holding two "shoe evenings" for new students to be fitted, or for returning students who have outgrown last season's footwear. They will be **August 1<sup>st</sup> and 2<sup>nd</sup>, from 4:00 – 8:00 p.m.** You may bring in any used shoes you wish to sell on either of these days. Please have your shoes marked with your child's name and size on the inside sole of each shoe.

We will not accept any used shoes that are worn out, painted, or damaged in a way that will hinder dancing ability. The shoes must have been gotten through the Studio, for these are quality shoes. We will only sell your shoes if you are planning to enroll this year. This is a courtesy we offer only to returning students. We will not accept any used shoes to be sold once classes begin. If you are unable to come in for shoes on the above dates, a "last chance" shoe night will be held on **August 21<sup>st</sup> from 5:00-7:00 p.m.** We would like all dancers to have their shoes before classes begin.

**\*\*If your shoes still fit or you are a gymnastics student, there is no need for you to come on any of these dates, simply mail us your forms.**

We are located on Highway 30 East in Denison. We are across from El Jimador Restaurant. If you need further information, you may call us at 712-263-6677 or 712-263-4466. We are looking forward to a new year and seeing you soon! Classes begin September 5<sup>th</sup>.

 above schedule, therefore, if one class is canceled, it  
 will not need to be made up. Fri. and Sat. classes will  
 need to have 1 extra class sometime during the year,  
 and Sun. classes will need 2 extra.**

**OUR SCHEDULE:** The schedule on the preceding page shows the number of lessons in each month and all Holidays when lessons will not be held. No matter which day your lesson is on, you will have received 36 lessons at the end of 9 months. Some months have only 3 lessons, but others have 5, therefore; you will average 4 lessons a month. This totals 36 lessons for the year – 4 lessons per month x 9 months = 36 lessons. Tuition rates are the same each month, regardless of the number of lessons received. (Stage practice, dress rehearsal, and 3 recitals count as 2 lessons.) Please keep this calendar handy so you're aware of the class schedule.

**REGISTRATION:** A non-refundable fee of \$30.00 per student (to a maximum of 2 per family) is required yearly at the time of registration. The registration fee covers administrative expenses and is paid by all students.

**PAYMENT OF FEES:** We offer an auto-withdrawal from your bank account for your monthly tuition payments. At your first class in September, you will remit payment for September tuition, fill out the necessary auto-withdrawal forms (including a voided check) and your auto-withdraw will begin on Oct. 5<sup>th</sup>.

**We highly recommend you sign up for this option.**

Consider the benefits of this feature:

- a. No standing in line every month to pay
- b. No late fee – ever.
- c. You won't forget
- d. No statement to mail back
- e. You know your tuition is taken care of.

**OR:** Tuition can be paid monthly by check, money order or cash. Payment must be received by the 7<sup>th</sup> of the month or you are charged a \$10.00 late fee. **Note:** we do not always have a secretary in the office, so please put the exact amount of your tuition in an envelope. Put your child's name on the front of the envelope along with the day and time of your child's class, and place the envelope inside the office window on the desk. You can also mail your payment to us, but remember we must receive it by the 7<sup>th</sup>.

All non-sufficient funds checks or auto-withdraw returns will be charged a \$30.00 fee, per return.

\*\*If any account becomes three months past due, your child may no longer participate in class until the account is current.

**DISCONTINUING CLASSES AND REFUNDS:** Withdrawal from classes must be done by the parent in person, or over the phone. After speaking with your child's teacher, your auto-withdrawal account will be terminated. Sherri and Julie's Dance and Gymnastics reserves the right to terminate lessons to any student without notice. In such a case, a refund for unused lessons will be given.

**PARENT RESPONSIBILITIES:** Parents are welcome and encouraged to attend classes to observe their child's progress, especially children under the age of seven. Taking notes or use of a video camera is highly recommended in the dance room. We expect your courtesy to keep talking at a minimum. The outer lobby, with large viewing windows, is provided for those of you with small children so classes are not interrupted. Our studio is unique in this program of parental participation. We feel it greatly benefits your child's dance or gymnastics education. Consider the following:

- a. You, as a parent, know what is being taught.
- b. You can help her/him practice at home.
- c. You can observe if your child is keeping up with the class.
- d. You can monitor your child's behavior in class.

**CLASS PROGRESS:** Another unique feature at our dance studio is the way we set up our classes. Students are grouped according to age, skill, practicing habits and attendance. If we feel a student isn't keeping up, or could progress faster, we will move them to another class. We are always re-evaluating our classes and making improvements. We ask that you try a class for at least a month before consulting your teacher about moving to another.

**ATTENDANCE:** Attendance records are kept each year. Regular attendance is a must if you are to benefit the most from your training. Each student is important to the progress of the whole class. Interest is kept when there is progress and development. Irregular attendance slows both. If your child is going to be absent, please call the office or inform your teacher the week prior. If you are absent from a dance lesson, you are responsible at the next lesson for knowing the steps taught in the class you missed. Consult a friend, or come early to find someone to help you. New steps cannot be taught again and again, this would not be fair to the faithful attendees.

**PRIVATE LESSONS:** Private lessons will be given only to students interested in entering talent shows or dance and gymnastics competitions. This is for the serious student willing to put forth the extra time and energy into practicing, not to mention the traveling expenses and entry fees. Talk to Sherri, Julie, or Cory if interested.

**DANCE MUSIC:** We are no longer making CDs for home practice, as CD players are a thing of the past. If you wish a copy of your child's dance music, talk to your teacher and she/he will e-mail it to you. Music makes practicing fun!

**CARE OF STUDENTS:** The Studio is not responsible for providing before or after class care for students. Students are not to be left at the studio for excessive amounts of time.

**BAD WEATHER:** When bad weather develops, all cancellations will be posted on our website, (www.sherriandjulie.com), and on our new Studio App. Sometimes we are unaware of road conditions outside of the Denison area. If you feel driving is unsafe, please call to advise us of the weather in your area. If you are not coming due to the weather, please let us know. Any classes canceled due to bad weather will be rescheduled and made up. If school has been canceled or let out early, do not assume there will not be classes.

**RECITAL:** Your teacher will order one ready-made costume through the studio. Price range will vary from \$50.00 - \$80.00 a costume. Although the recital isn't until May, we will order costumes in December. Complete payment for the costumes will be due at this time. You may wish to keep this in mind as you plan your budget, as you realize December can be a tough month financially.

Recital dates for 2018 are May 26-27-28.. Dress rehearsals, picture and stage practice days are May 21-22-23-24-25-26. Please keep these dates in mind when you plan your summer vacations.

**Note: Tuition and other fees on your account must be paid first before any payment can be applied to costume fees.**

**COMPETITION FEES:** If your child is in a competition dance class, entry fees are generally due a month ahead of the competition date. These must be paid before we send the entries. Your teacher will advise you of all payment due dates. It will also be posted on our new Studio App. **Note: Tuition and other fees on your account must be paid first before any payment can be applied to competition fees.**

**INJURIES:** Parents, legal guardians of minor students and adult students waive the right to any legal action for any injury sustained on Studio property resulting from normal dance or gymnastics activity or any other activity conducted by the students before, during, or after class time.

**DIRECTIONS:** The main studio is located on the east side of Denison on Highway 30. We are across from El Jimador Mexican Restaurant. To get to the Methodist Church; from Hwy 30, turn north on 14<sup>th</sup> Street and go three blocks. It is on the left. \*\*\*Please note; all phone calls, money transactions, shoe purchases, etc. will be handled at the main studio. (712-263-6677)
